

Adult Education Board DATE: January 4, 2011; 7:30 PM

GOAL ONE: Growing Disciples We will enhance and support each member's faith journey by helping each other develop spiritual disciplines and practices that will encourage us to live out our faith in Jesus Christ in our everyday lives.

- ◆ We will encourage people to tell the story of how God is working in their lives.
- ◆ We will promote and enlist members to participate in retreats.
- ◆ We will celebrate the healing work of God in Christ in our worship live, and by continuing our monthly prayers with members of the congregation.
- ◆ We will educate our members on the classic spiritual disciplines including worship, Scripture reading and others, and give them opportunities to practice them at the church and in their lives.
