Director News

Welcome to a new school year at BCCC! We are excited to have many new families start in our program, and also grateful for all of you who have stayed with our program throughout the summer.

Please remember to dress your children appropriate for play. It is suggested that you have your child wear tennis shoes for outside play and walks. If your child prefers sandals, please bring a pair of tennis shoes that can be left in his/her cubby. When they get to school they should be put tennis shoes on. This is a safety issue-toes get stepped on, and children may trip and fall!

Also, if you do have any questions please set up an appointment to discuss joys or concerns with teachers or the director.

Please note- we are **closed** on Labor Day, Monday, September 7th.

Thanks- and have a Fabulous Fall!

One of the most important things we adults can do for young children is to model the kind of person we would like them to be...
