

Stewardship DATE: 1/12/2010 TIME: 7:15

Members & Guests Present	Paul Hagen, Pastor Jay Dalvang, Marsha Nagel, Frank Larson, Jay Backstrom and Kay Wilking	
Members Absent	All members in attendance	
TOPIC	PRESENTATION - DISCUSSION	RESULT/LEADER
Time of Sharing	Relationship Building – Saying hi and sharing news with each other.	
BLC Website	Brenda Boyer came in to answer questions and talk about how the website can be used. Stewardship has been wanting the Time and Talents list to be more accessible, Brenda said that it would be possible to use the site for a data base. Discussed privacy protection and who would have access to the names and phone numbers of the people on the list.	Pastor Jay said that he would talk to Casey about the data that we have and if it could be transferred.
Last pledge letters	We received 25 more responses back. We want to set up a guideline for how the pledge cards are done- if we should have an “opt out” box on the second letter. Consider opportunity for people to respond on how they “fit”, and look at individual situations before sending out letters after initial pledge cards.	Franks request to Paul and the committee
Time and Talent and Spiritual gifts	Need to differentiate the 2. Maybe update the Time and Talent sheets. Ask each board for areas that they would appreciate volunteers so we can make a list of “jobs”.	Each member of the Board will bring in an example of Time and Talents sheets so that we can draft a new one.
Committee Terms	We looked at how long each member has left on their term and if they would “reup” for another one. We do have a vacant seat that has not been filled as well.	Marcia Nagel
Green committee	Marcia filled us in about the group that would like to form a committee to push our church in the direction of “green” and how our board might partner with this.	Marcia Nagel
Close with prayer		Pastor Jay
