

Where does the LIGHT offering go?

Offering envelopes are provided for all children. Offerings are collected during the group gathering times or in the classrooms. We use these funds to support a number of missions, including:

- Local ECHO Food Shelf
- Open Door Clinic
- Operation Christmas Child supplies and postage
- Support of the Jacobson family's mission work in Tanzania
- Heifer Project

At the conclusion of the year, we share how much the Children raised in Offering and where the funds went.

Thank you for remembering to bring your offering envelopes to LIGHT every week to support these important ministries.

Birthdays are Special!

Birthdays are celebrated during opening music for all Children. The children are asked to bring a penny per year that they are in years – (example: 3 years old = 3 pennies; 10 years old = 10 pennies) Please have them bring their Birthday money on the Sunday closest to their Birthday. The Lightkeepers will also keep extra pennies on hand will try to remember to include all Children in this special event. Summer birthdays will be celebrated in May.
