

Week-Day Worship Service -- When?

Although most of us would prefer not to work on Sundays, some of us have to work on Sundays and cannot attend Sunday morning worship services. We don't want to say, "Unless you come on Sundays, you can't worship at Bethlehem". So, the Worship & Music Board is trying to determine what would be the best time for a non-Sunday morning worship service during the school year. You can help by giving some thought to this in relation to the needs of our community, and other events and programs at Bethlehem, and checking the survey below.
